

How to Get Enrolled

Follow these instructions to
enroll in Your 401(k) Plan.

STEP 1 Create your account

Register and access the enrollment website for the first time.

- Website: <https://myplan.johnhancock.com/login>
- Mobile App: **mylifenow™**

STEP 2 Enroll in your company's retirement plan

Make key decisions about your 401(k) account using the website or app.

- **To enroll via the mobile app**, download the mylifenow™ app.
 - If logging in for the first time, **create a New Account** via the mobile app.
 - After log in, **select "Enroll Now."**
 - **Select contribution type and amount** under "My Contributions."
 1. A default type may be pre-populated. Edit as desired.
 - Investment options may be pre-populated. These can be changed on the website after enrollment. **Select "Review."**
 - **Review current and future elections** and **select "Next."**
 - **Select "Submit"** to complete enrollment.
 1. If you wish to change the pre-populated investment selection, please select "Menu", then "Investment Strategies."

STEP 2 Enroll in your company's retirement plan

- **To enroll via the website**, log into the website and register.
 - **Review the contribution deferral information and select a deferral rate.**
 1. A default rate may already be populated. Edit to your desired rate.
 2. If the Auto Increase feature is available, select your desired annual increase amount.
 - **Click "Next: Pick Your Investments."**
 1. **Choose your investment strategy:**
 - Select your own investments or use an advice solution.
 - Select if you want to automatically rebalance your account.
 2. **Click "Review and Submit."**
 - **Confirm your enrollment.** Review your elections and **click "Submit."**
